SOUTHEAST**

# TOP 5 SKILLS

Learn what employers in our region are looking for

Through a recent survey conducted by the Workforce Intelligence Network (WIN) on behalf of Michigan Works! Southeast, results highlight that local employers are willing to train an employee on technical skills required to do the job as long as the employee has the ability to regularly demonstrate these 5 key skills!

01

## TEAMWORK

Your ability and willingness to collaborate effectively will make or break your longevity with a company

02

## COMMUNICATION

Written and verbal communication skills are valuable assets to the majority of the employers in our region

03

## PUNCTUALITY

Time management and being on time are two key components to a successful employment outcome

04

## INITIATIVE

Willingness to learn and taking initiative will help you grow within an organization and provide endless learning opportunities

05

## TEACHABLE

Following instructions is a key factor for safety, compliance, culture and so much more
