BE PART OF THIS SUCCESSFUL EVENT

CHOOSE ONE OR MORE WAYS TO GET INVOLVED:

EVENT SPONSOR: Your generous financial support for MiCareerQuest South is much appreciated. Funds raised cover expenses that come with organizing an event of this scope. They include facility rental, staging and booth equipment rental, security, signs, volunteer shirts, exhibitor items and food.

Quadrant Platinum Sponsorships: Each quadrant needs one platinum sponsor to help event organizers shape the student experience. In addition to a position on the Executive Committee, you will work with our planners to identify the in-demand occupations and best companies to include in your quadrant.

As quadrant champion, you will work with us to assure the hands-on activities complement each other and engage students, as well as help design the quadrant layout. Each platinum sponsor will be highly visible (see list of benefits to the left).

Gold, Silver Bronze and Contributing Sponsorships: All sponsorships come with varying levels of exposure and opportunities (see list of benefits to the left). There is one exclusive Gold sponsorship, Silver sponsorships available in each quadrant, plus an unlimited number of Bronze and Contributing sponsorships.

QUADRANT EXHIBITOR: You can join a career quadrant team as an exhibitor. Exhibitor teams are made up of working professionals who directly engage students by introducing them to an industry and occupation in a memorable way. As an exhibitor, you will design and build interactive activities featuring job-related tools and equipment, and share career expertise and advice. Energy, enthusiasm and an inviting smile are important qualifications.

There is no fee to participate as an exhibitor. However, you are responsible for any equipment you order, beyond what is provided by the event hosts. All exhibitors are encouraged to participate in monthly quadrant meetings hosted by the event organizers, where important information is shared and discussed.

Exhibitor Agreement and Insurance Requirements:

All exhibitors must sign an exhibitor agreement provided by Michigan Works! Southeast and have adequate insurance coverage for an event of this nature. Public entities will be required to sign an exhibitor agreement by March 6, 2020.

Top sponsors will have their organization's logo included on the entrance archway into their respective quadrants
