

Business Services RFP Questions:

Q: Does the vendor need to add MOU space to the budget or will the Specialized Business Services team be housed at the American Job Center?

A: The vendor may provide services at their location or at one of the local AJC's in the MWSE region. Budget should include costs as applicable.

Q: Does an audit need to be turned in with the RFP response?

A: The RFP includes the list of required documents for the RFP response.

Q: Is there an expected or requested staffing model?

A: The staffing model needs to meet the needs of the RFP and address the scope of services within the RFP.

Q: Does the vendor need to have a supply budget?

A: Vendor should include associated costs in budget detail and narrative.
